NEW LOCATION: 2250 Pinion Rd, Elko, NV 89801

Strategically positioned to serve Nevada's mining belt and beyond, our Elko hub strengthens our commitment to responsive, localized support. Whether you need critical diagnostics, on-site service, or emergency parts, our team is ready—wherever you are.

Located in the heart of Nevada's mining territory, Getman's newly expanded Customer Support Center in Elko is a game-changer for underground mining operations across the western United States. With faster access to expert service, genuine parts, and field support, we're closer than ever—reducing downtime and maximizing performance for your Getman fleet.
